MMC IMMEDIATE PAST PRESIDENT'S MESSAGE

Kia Ora!

I'm writing today as my last message in our newsletter, Ethnigram

In January of this year, I resigned from my role as president of the MMC. This comes after a big change in my personal life since November last year. I have thoroughly considered the decision and after much reflection, I believe it is the right time for me to step down from my responsibilities.

As per our constitution I am still a member of the MMC Board as Immediate Past President, to ensure the transition and handover of my responsibilities are seamless.

The MMC Board held a special meeting in February following the resignation of two other MMC Executives, Noor Fatima and Vikram Govindasamy, and unanimously appointed Ranjita Sengupta as our new President and Mohammad Karimi as Vice President. We are still looking for someone to fulfill the role of Treasurer.

I would like to give thanks to Noor Fatima, who was acting President during my absence, and Vikram Govindasamy, MMC Treasurer, for all the hardwork you've put into the MMC during your time with us. I wish you both success in all your future endeavors.

I am extremely grateful for the opportunity to serve the MMC board as President from October 2020. It has been an incredible learning experience, and I am honored to have been part of such a dynamic and impactful organization.

Thank you once again for the trust you have placed in me and the support that the Board and MMC whanau have given me throughout my tenure. It has been a privilege to work alongside such dedicated individuals, and together as a team we have accomplished great things over the years.

Best regards,

Nina Kirschbaum

MMC Immediate Past President

I am sure that together we will achieve new heights in building a healthier, happier and safer global community, where everyone can feel included, work hard and strive to build a better tomorrow.

We have started this year off with a busy two months of fantastic activities. In January, we had the UCOL Cap visit, saw the Summer Reading programme take off and we got to celebrate the Lunar New Year.

Palmy is a student city and end of February had us enjoying Massey Campus Carnival and UCOL Orientation Day. We are looking forward to a very busy and happening months ahead, with several events planned for our extensive communities, which we will be reporting to you in the next newsletter.

I would like to thank all our sponsors, funding agencies and donors for your generous contributions and continued support. My heart-felt gratitude to the various communities, our MMC staff, volunteers and members, each one of you is what makes us better people, we strive together to make a better world.
